

## D Major Chord

# Guitar 101

Lesson 4

Drawing on Lesson 3 you will see notes that make up the D Major chord exist elsewhere along the fretboard.

For now, feel free to set this lesson aside...just know that, as your skills improve, freedom to form chords along the fretboard are patiently awaiting your arrival

R

The chord diagram shown above is a D Major chord. Note that 1 2 3 4 5 6 7 8 are represented

○ represents an open string

● represents a fretted position

Ⓜ represents a "Root Note"

X indicates the string is omitted

( represents barred notes
